## A little note about song requests...

I am always working to expand my repertoire and endeavor to make your day as special and personal as possible.

Please note that due to limited time during wedding season I am happy and able to accept one special song request outside of my standard repertoire per booking with advance notice (minimum one month prior to event date).

Additionally, you are welcome to select your must have songs from the above repertoire to ensure that I include them on your special day. Likewise, please feel free to specify any songs you do not wish to hear on the day.
